

KENT KHFC0160/102 – Hinged Floor Cleanout

The Kent Stainless Hinged Floor Cleanout is a hinged variation of our 2 part floor cleanout. It has been developed specifically for the Middle East residential market. It is ideal for use in Apartment complexes, villa compounds, ablution and public washroom areas. It is manufactured in **Grade 316L stainless steel** with a satin finish as standard, with a mirror polished finish also available. The floor cleanouts have a 102mm diameter outlet as standard.

Features

- Grade 316 Stainless steel
- 102mm diameter
- Hinged top
- Satin finish as standard; mirror polish finish also available
